Following IASCD's continuing efforts and commitment to strengthen districts and increase supervisor engagement in Idaho, one new supervisor per division will be selected to attend this year's conference in Post Falls. These scholarships are open to district supervisors who have never been to an annual meeting, and who want to increase district engagement. The following items are a guide to the application form:

2. The recipient must stay at the Red Lion Templin's Hotel. The recipient must register for their room, and cover their hotel cost.
3. All applications must be received by IASCD staff no later than close-of-business on October 26, 2018. You may fax, email, or mail your application into the office; any application sent via USPS must be postmarked prior October 26, 2018.
4. The scholarship may not be transferred once awarded.
5. Upon confirmation, IASCD will notify each recipient with instructions by email. The recipient needs to keep this email and bring it to the conference.
